### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The prior art of record does not teach a pallet including a plurality of elongated runners, each runner having one load bearing top panel and one perforated tab extending above the top panel, each perforated tab having one opening disposed therein, a flat deck member adjacent the top panels, the deck member having slits disposed therein for receiving the perforated tabs, thereby locking the runners into a fixed parallel orientation to each other and elongate lateral supports extending through the openings in the perforated tabs to provide lateral support to the pallet. It is noted that the prior art of record does not teach structural elements connected or structure separately as recited by the claims.

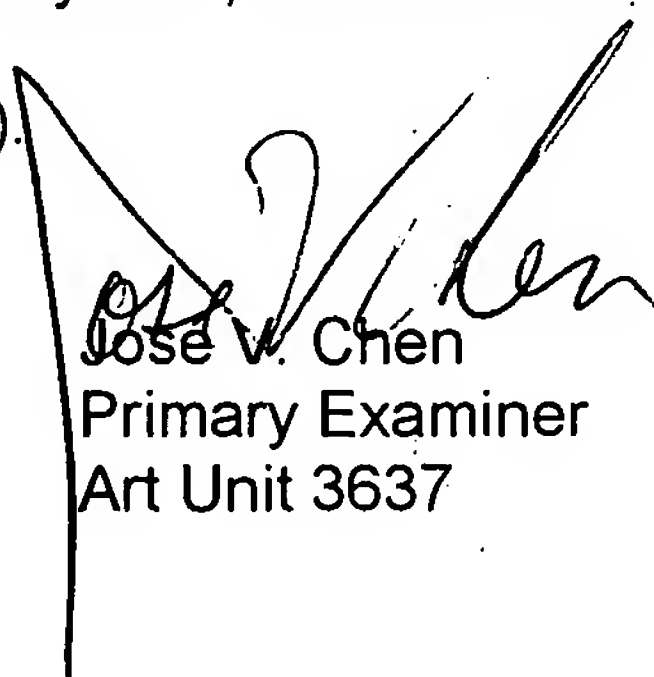

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to José V. Chen whose telephone number is (571)272-6865. The examiner can normally be reached on m-f, m-th 5:30am-3:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Lanna Mai can be reached on (571)272-6867. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
